### QuiltCon Community Outreach Quilt

- The Modern Quilt guilds are invited to create quilts based on a challenge, typically consisting of a prescribed color palette and theme, to be exhibited at QuiltCon.
- The Modern Quilt Guild provides the theme and color palette in early July. The quilt is then turned in early January.
- The planning and execution of the quilt is a group effort. The first steps are choosing a design and acquiring the fabric. The committee then divides the labor – cutting, sewing blocks, completing the top, quilting and binding.
